

SPONSORSHIP INFORMATION

WHAT WE DO

The team at Monadnock Hit & Run works hard to bring monthly features to the automotive lovers within the Monadnock Region. After all, nothing inspires future grease monkeys quite like the Hotrod down the street.

Our goal is to build a community of Gearheads that come together, to not only have fun, but give back to the local area.

In that spirit, we proudly cover the Monadnock Region, which consists of Peterborough, Swanzey, Stoddard, Jaffrey, Rindge, Antrim, Bennington, Hancock, and Dublin.

WHY SPONSOR US?

As a community driven Magazine, Monadnock Hit & Run wants to connect people with not only ourselves, but with your business. We want this for one simple reason; community growth.

By banding together, we can help spread connections all across the region and strengthen each other while doing so. This creates a network of like-minded people who desire to build each other up to succeed..

When you sponsor us, you not only gain access to the amazing following of local gearheads and small businesses that we support, but also receive a low-maintenance level of marketing that pays for itself.
